To,
The Head of Department,
Department of Computer Science (B.Sc. CS),
M. V. L. U. College,
Andheri (East), Mumbai - 400069.

Respected Sir/Madam,

Subject: Project Completion & Live Deployment Certificate

This is to certify that Mr. Jeetesh J. Shirganoor Roll No: T116, Class: TYBSc Computer Science, M.V.L.U. College, has successfully designed, developed, and deployed the official website and client management system for Jai Sai Travels (Operating Since 2005).

Project Scope & Implemented Modules:

- Instant Car Reservation & 24/7 Booking Dispatch: Enabled seamless online booking for Airport Transfers, Outstation Tours, and Wedding Convoys with one-click WhatsApp reservation and direct emergency call routing, reducing customer booking time to under 30 seconds.
- Transparent Travel Packages & Vehicle Transparency: Provided clear, upfront package details (Local 8hr/80km, Mumbai-Pune Airport drop, Outstation rates) along with authentic vehicle specifications and Google verified customer reviews for complete traveler trust.
- Real-Time Customer Lead Management & Admin Portal: Built an automated inquiry pipeline backed by a secure Admin Dashboard that instantly captures customer bookings, contact requests, and travel dates into the database for rapid dispatch coordination.

Client Utilization:

Our company is actively and officially using this web application in daily business operations for managing car rental inquiries, fleet showcases, and client bookings.

During the development, Mr. Jeetesh demonstrated exceptional technical competence, dedication, and professionalism. We wish him all the best in his future academic and career pursuits.

For JAI SAI TRAVELS,

Mr. Jaykumar Shirganoor
